Memorandum

TO : Chief, Contact Division
Atten: Support Branch

DATE: 13 Feb 62

SUBJECT: Anti-Communist Literature erroneously returned from the USSR
to a US Citizen

1. The Detroit FBI office contacted our office to inquire about any information we may have in regards to a letter received by a local family from the USSR, marked "insufficient postage". The letter was mailed to a city in the USSR from Hamtramck, Michigan. The return address was: GUTOW, Maria, 3252 Hanley St., Hamtramck, Mich.

2. The Gutowskis turned over the letter to the Postal authorities because they claim they did not send mail to the USSR. The letter contained a well printed pamphlet, in Ukrainian, that had been prepared and published by the Ukrainian Liberation Council, Chicago, Ill.

3. The Gutowskis, who are Polish, claim they have no relatives in the USSR. Gutowski has a daughter named Maria. She is about 19 and is currently enrolled at Wayne State University, School of Nursing, Detroit. She stated she never used the name Gutow and never heard of the Ukrainian Liberation Council.

4. The FBI realizes that their chances of successfully completing this investigation are slim, especially if Maria is involved in a CIA operation, but asked our cooperation in the event we could informally assist them. They were advised that we did not have any information that would be of assistance.
